## Healthy Neighborhoods Program

**The New York State Healthy Neighborhoods Program (HNP)** seeks to reduce housing related illness and injury through preventive and holistic means.

=====

We provide **FREE** in-home health and safety assessments for individuals/ families living in Columbia County.

There are *absolutely* no requirements to be eligible. All are strongly encouraged to participate!

**If these questions are new to you or if you don't know the answer right away, you may benefit from a visit with the HNP educators!**

*The HNP educators are here to help you with any questions or concerns you may have in your home. We will do all we can to solve any problems and refer you to local agencies or programs when appropriate.*

*The personal information you provide such as name, address or phone number is kept confidential within our program and only the HNP staff has access to it.*

*Only with permission, will we make referrals in which your name and phone number will be included.*

## Want to refer someone?

Send the information listed in person, via email or give us a call!
