POPULATION HEALTH IMPROVEMENT PROGRAM
The Healthy Capital District Initiative works to increase access to coverage, provides health planning expertise, and supports health prevention programs across the Capital Region.

WORKING TOGETHER TO IMPROVE ACCESS TO HEALTH SERVICES
Population Health Improvement Program

The Population Health Improvement Program (PHIP) brings together a broad cross-section of stakeholders that impact, or are impacted by, health and health care issues to develop coordinated, evidence-based strategies to measurably improve population health.

The Healthy Capital District Initiative (HCDI) is the Capital Region PHIP contractor, serving: Albany, Rensselaer, Schenectady, Saratoga, Columbia and Greene counties.

Purpose

The Healthy Capital District Initiative supports major healthcare reform initiatives of the New York State Department of Health

- Prevention Agenda (PA);
- State Health Innovation Plan (SHIP);
- Delivery System Reform Incentive Payment (DSRIP) Program.

We Support

the development of regional strategies
to transform health care delivery,
improve population health andeliminate health disparities.
